

Leading with Humanity: Virtual Refresher

Leading with Humanity is a deeply personal experience that encourages living a life of purpose and authenticity

Once again, delegates are taken on a journey of self-discovery. Working to revitalise and realign your personal purpose, you will build upon your tools to courageously lead in this new world.

This is the perfect refresher programme for all past delegates of Leading with Humanity, looking to rekindle their purpose and continue to lead with conviction and authenticity.

This virtual summit makes use of intensely facilitated online modules, offline personal exercises, breakout team sessions, a selection of thought-provoking engagements and applied neuroscience.

Guided by seven fundamental leadership themes:

- Leadership is a state of being, not of doing
- It is about having influence – not control
- Leaders are connected to context
- Followers change things, leaders don't
- Leadership is a choice – not a birthright
- Leaders are multi-dimensional, and come in different and multiple forms
- Leadership about giving, not taking
